# SANTA MARTA

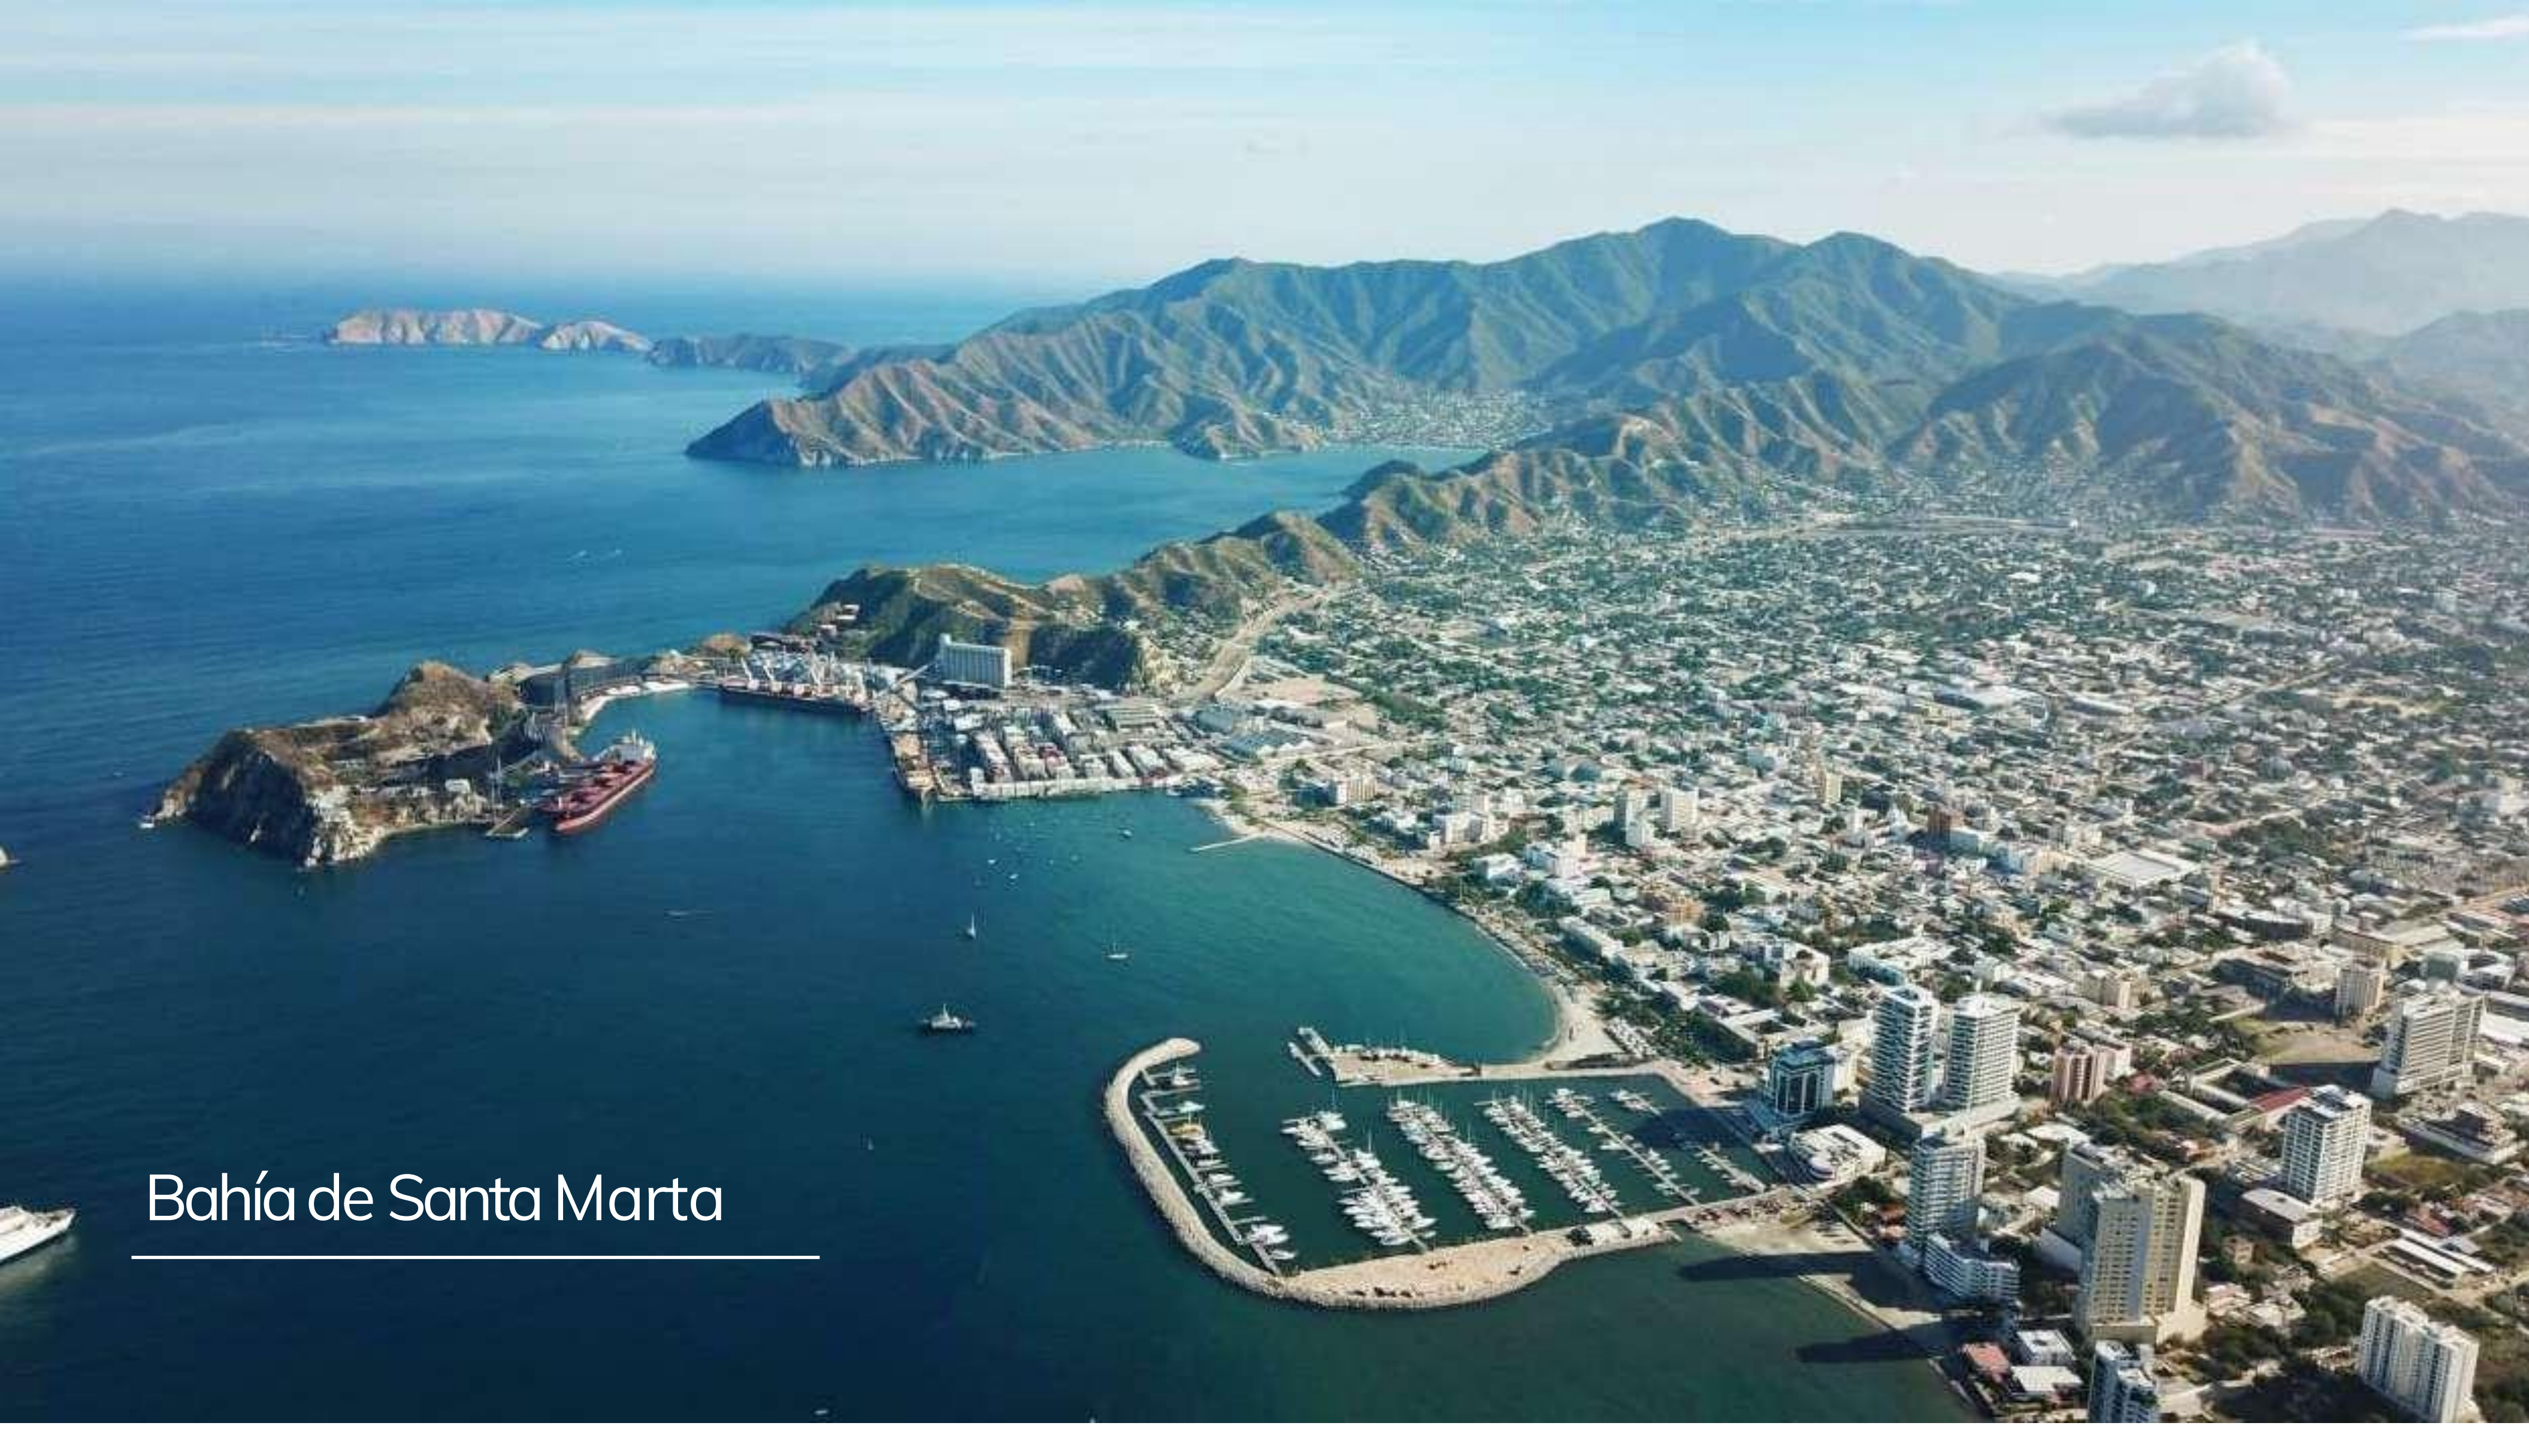

## UBICACIÓN

## GEOGRÁFICA

---

An aerial photograph of the Bahía de Santa Marta in Colombia. The image shows a large bay with a deep blue-green water. In the foreground, a large marina is filled with numerous white sailboats. To the left, a large red cargo ship is docked at a pier. The city of Santa Marta is visible on the right side of the bay, with a dense urban area featuring many buildings. In the background, there are large, rugged mountains with green vegetation. The sky is clear and blue.

# Bahía de Santa Marta

---

Ubicada en las estribaciones de la Sierra Nevada, que se alza aproximadamente a 5775 mts sobre el nivel del mar.

Parque Nacional Natural  
Sierra Nevada de Santa  
Marta

An aerial photograph of a vast, lush green mountain range. The terrain is covered in dense tropical forest, with various shades of green indicating different vegetation types. Misty, white clouds are scattered throughout the landscape, particularly in the valleys and around the mountain peaks, creating a sense of depth and atmosphere. The sky is a pale, overcast blue.

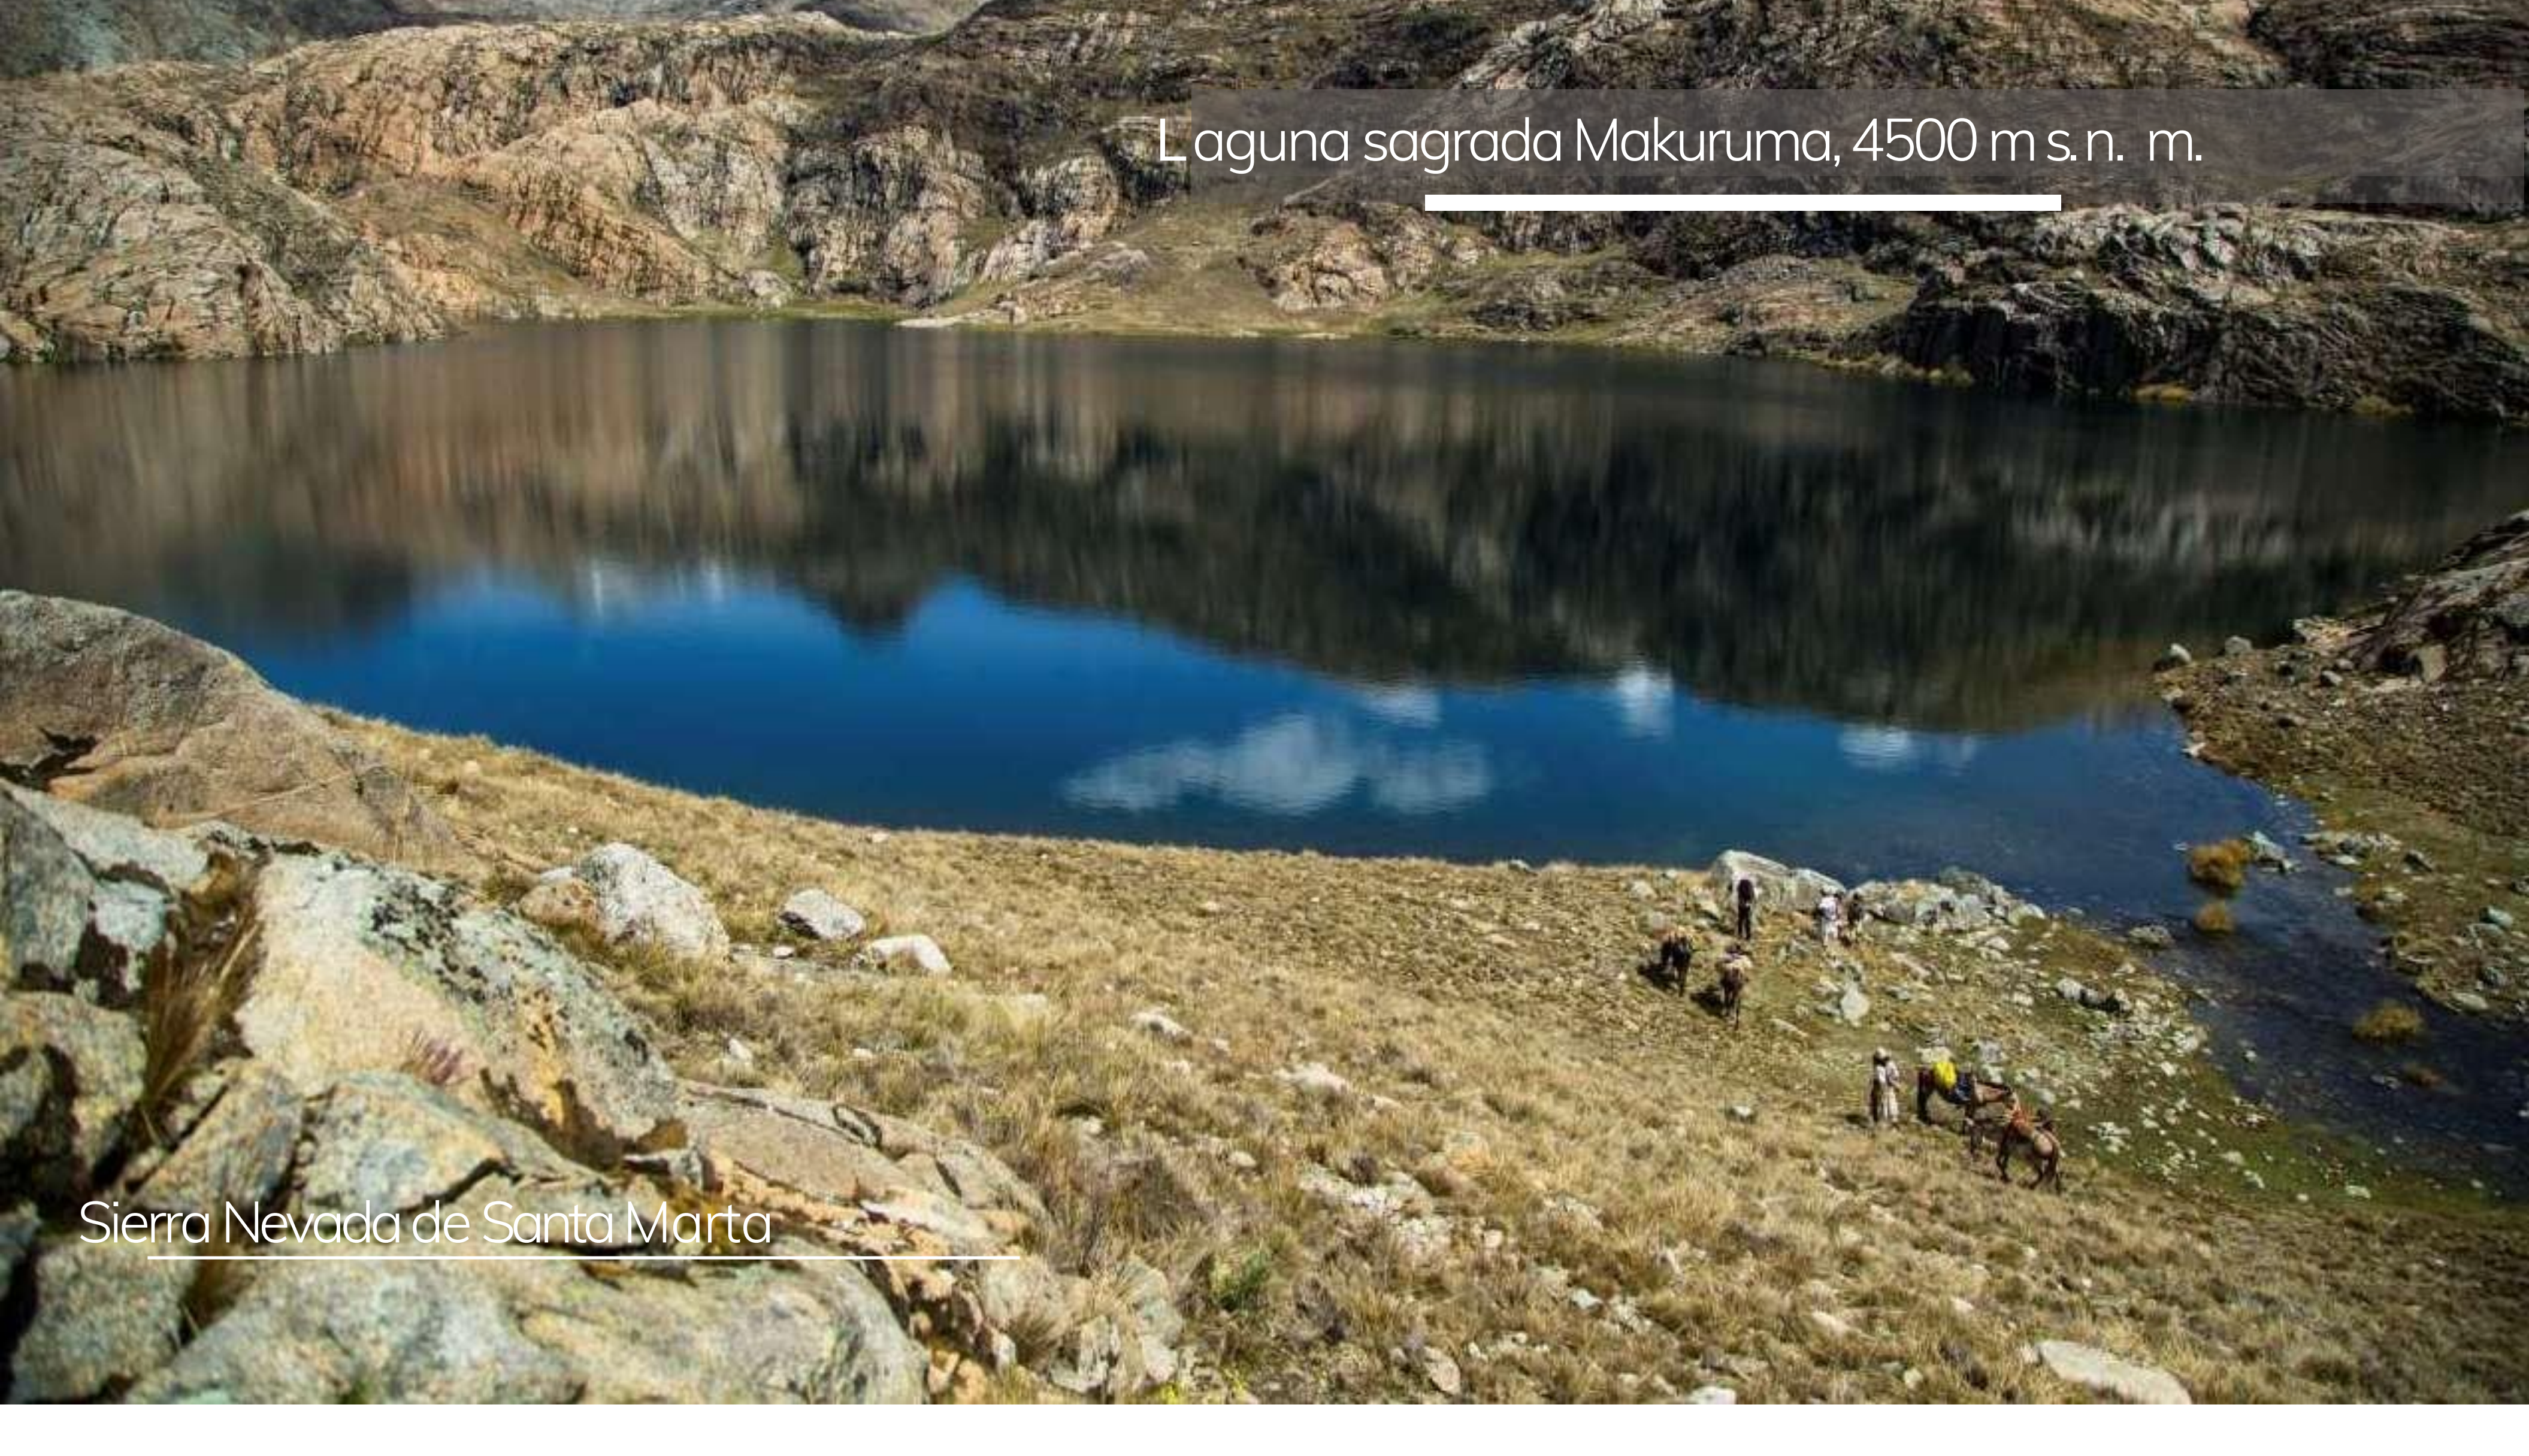

Sierra Nevada de Santa  
Marta

---

Laguna sagrada Makuruma, 4500 m s.n. m.

Sierra Nevada de Santa Marta

An aerial photograph showing a series of terraced agricultural fields carved into a steep, forested hillside. The terraces are filled with a light brownish-yellow soil, contrasting with the surrounding dense green tropical forest. The terraces are arranged in a somewhat linear fashion, following the contour of the slope. The forest is thick and lush, with various shades of green visible through the canopy.

Podrás conocer la arquitectura prehispánica conformada por una intrincada red de caminos, terrazas, viviendas, petroglifos, canales, puentes, escaleras y obras de ingeniería.

El Parque Tayrona cuenta con Declaración de Reserva de Biósfera  
de la Unesco

An aerial photograph of a stunning tropical coastline. In the foreground, a dense, lush green forest covers a peninsula that juts into a vibrant turquoise bay. A small, irregularly shaped pond with brownish water is nestled within the forest on the left. The bay's water is exceptionally clear, revealing a sandy bottom and patches of coral or rocks. A thin, white sandy beach curves along the inner edge of the bay. In the distance, a small white boat leaves a trail on the water. The background is dominated by a range of steep, rugged mountains with varying shades of green and brown, suggesting different vegetation and rock formations. The sky is a clear, pale blue.
